MIDNIGHT SPORTS

Here at On Court Coaching we recently launched our very own sporting brand under the name Midnight Sports. We have been working tirelessly over the last 6 months developing our very own string for tennis racquets and are super proud to have now released multiple different strings for different types of players.

Our strings are designed to be of the highest quality and are a long lasting string that maintains performance throughout its lifetime

Our current strings include the Midnight Menace, Midnight Rebellion, Midnight SP, Midnight Shakedown, Midnight Inferno, Midnight Ablaze, Midnight Turmoil, Midnight Windstorm, Midnight Landslide and the Midnight Machine.

Our strings come in a range of different colours, different shape profiles to help players increase spin and power as well as different gauges.

Keep an eye on our Social media accounts to see the details on each of our strings.

JOHN WESLEY TENNIS CLUB

We are super excited to have started our weekly training sessions at John Wesley Tennis Club. The committee at the club have been extremely welcoming and it has been great getting to know the kids over the first few weeks of the coaching term.

Currently Cameron and Lachlan have been sharing the coaching role at the venue performing Hot shots and sessions for the Orange ball, Green ball and Yellow ball players.

HOT SHOTS TENNIS

This year we have seen a record breaking number of tennis players join our Hot Shots tennis program with over 75 kids enrolled across our Hot Shots venues.

We have recently started a Hot Shots group on Fridays at OHTC to allow for more players to join our Hot Shots crew.

For this year we will be giving out a brand new Dunlop racquet to all new enrolments into our Hot Shots programs.

Our players and coaches had a massive amount of success at the recent OHTC annual club tournament. The coaching department had the most successful tournament yet with Vicki taking the win in the Womens Singles and Womens doubles. Cameron won the Mens Singles defeating fellow coach Leon in the final, Leon won the Mens doubles and Mixed doubles titles while Tash won the girls singles.

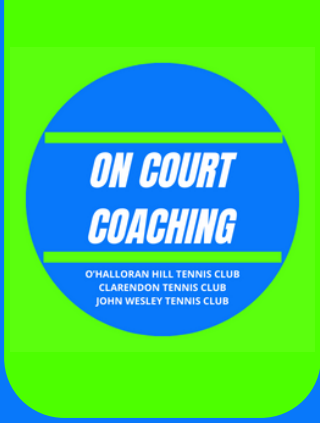

Our junior players had an excellent showing with Hayden Vaughan winning the boys singles and the boys doubles title with Jack Cock. Emily Conrick took out the green ball title while Carter Burgess would team up with Leon to take victory in the Rellies doubles. Jackson Taylor won the boys consolation final.

The Clarendon training returned at the beginning of this term for Hot Shots, Green ball and Yellow ball players on Monday nights and this year the team has started where it left off.

The div 3 team remains at the top of the table and continues its winning ways as finals tennis draws close.

ON COURT SHOP DEAL OF THE MONTH!

The Babolat Pure Drive racquet is our deal of the Month from now until the end of March in 2024. This deal is for all members of clubs that On Court coaching performs sessions at.

The Pure Drive is a very easy racquet to use and on court, this racquet's explosive acceleration and spin-friendly targeting make it a dangerous weapon from the baseline. It also packs impressive all-court mobility, making it great for cranking winners on the run or charging into the front court and finishing points at net.

RRP \$369.99 unstrung
DEAL OF THE MONTH PRICE \$325 with Midnight SP string

Contact Cameron at oncourtcoaching@outlook.com.au and mention the deal of the month to get this deal before its too late!
