A big thank you to everyone who participated in the Club Tournament. It was a massive day with the most entries we've had in the last 6 years. A fantastic effort by all.

Thank you all for your patience while we waited to get through our matches, and to all those that hung around to the very end!

It was great to see a few new parents and siblings, as well as those that have played this tournament every year, out on the court with their kids, sisters or brothers. The rallies doubles has always been a fun event, and we hope everyone enjoyed themselves. A special thank you goes to those players that filled in at the last minute.
